Highmark

Summer 2023

Celebrating the 2023 Highmark \$1,000 Scholarship Winners!

The Fifth Annual Dr. James B. Johnston Scholarship Competition garnered an outstanding response from talented students nationwide, each showcasing their exceptional potential and commitment to academic excellence. The scholarships awarded are a testament to the Educational Foundation's unwavering dedication to empowering and supporting the next generation of scholars.

“Duquesne being a SAGE Scholars Member added another layer of credibility and gave me more confidence that I’d not only get the education I need but that that education would also be more affordable for me. I have recently been accepted into Duquesne University and am currently enrolled. I do firmly believe I made the right choice in choosing to apply to Duquesne, and I am proud to know that I’ll eventually be a SAGE Scholar.”

Samuel W. of Braddock, PA, will be attending Duquesne University in the fall.

“Seton Hill has a really nice health science program for people who want to move up in their lives and become doctors. My education has always been important for me, and I believe that to reach my goal of becoming a surgeon, Seton Hill is my first step in the right direction. I also believe that Seton Hill will have a nice community inside the school, almost feeling like family.”

Kaitlyn C. of Kittanning, PA, will be attending Seton Hill University in the fall.
